CAR PARK SPEEDSTERS

Just a gentle reminder that the speed limit in the carpark is 10 KMP. We need to keep our kids safe, please keep to the speed limit so that we don't have some unbearable tragedy in the car park.

FRESH HERBS

The herb garden has been revitalised and restocked. Please give the basil a chance to grow a bit before harvesting. Knock yourselves out on the Rosemary and Parsley on the established plants. Feel free to water on the weekends if it is hot and dry.

SUPPORTING CAUSES ABROAD

You might like to know that Uygen (the cleaner) has been collecting the recyclable cans and bottles from our yellow bins and takes them to the recycling station. Over many months, Uygen and his friends have raised \$900 which they sent back to Bhutan to assist the poor through the Buddhist Institute.

That's a lot of cans and a lot of car trips to the recycling station at Archerfield, but Uygen tells me that A\$1 can buy a meal in Bhutan for the poor.

Uygen has also just graduated with a masters in IT. Clever guy! He will be with us for one more year until he returns to his family in Bhutan.

PEST CONTROL COMPLETED FOR 2021

The common area and unit pest control has now been completed for 2021. There are two more units that missed the cut off and our guy will return in a week to treat. If you still want to have your unit treated there is time to get in for this last treatment for the year.

RECORD VOTING AT THE AGM

Thanks to all who took advantage of the online voting for this year's AGM. 27 lots cast their votes electronically which gave us an easy quorum and speeding voting. The down side is that the social aspect of the AGM this year was a bit lean. Still with everyone's busy lives, this seems to be a great option.
